

MAJESTY  YACHTS

**MAJESTY 100**

[www.majesty-yachts.com](http://www.majesty-yachts.com) | [contact@majesty-yachts.com](mailto:contact@majesty-yachts.com)

With her unparalleled use of onboard space and innovative design, the Majesty 100 offers owners a seamless luxury cruising experience. With stunning exterior, interior, and naval architecture and design courtesy of Gulf Craft's in-house Design Studio, the layout of the Majesty 100 are based on the principles of maximizing space and stretching the outdoor experience through to the interior.

The floor-to-ceiling windows in the main deck allow natural light to flow abundantly through the cabin, and two hydraulic extendable balconies fixed on both ends of the back-seating area offer passengers an effortless al-fresco experience while still having quick and seamless access to the craft's main indoor living and entertainment areas.
